### Chapter 1 by fytyt

It was the beginning of freshman year. She was cute, but that's not what I am here for. The way she was cute was because he boyfriend was a senior. She loved him as much as he loved her; but she didn't know it. Well you can say she was blindsided by the fact that her brother was gay.

How could she be blindsided well is because her brother was her boyfriend. Now this isn't incest, oh no, it is not. They were siblings by the government. They recently learned that they our siblings. Now the government knew about their relationship, but they wanted to see how long they would last. And so school sucks and so does she.
